

# 2023 Subject Index

Acute appendicitis .....	120	Pathophysiology .....	74
Adelmidrol .....	5	Pelvic floor .....	63
Anal canal pressure .....	120	Pelvic floor disorders .....	106
Anal ectopy .....	74	Pelvic floor surgery .....	99
Pelvic floor .....	74	Pelvic muscles .....	28
Anchor .....	106	Pelvic organ prolapse .....	19, 28, 49, 92, 99, 113
Anorectal angle .....	69	Pelvic support .....	28
Anorectal malformations .....	74	Perineal ultrasonography .....	69
ARM with urethral fistula .....	74	Physiology .....	74
ARM without fistula .....	74	Platelet-rich plasma .....	43
Biomechanical integrity score .....	28	Pregnancy .....	56, 80, 84
Biomechanical mapping .....	28	Primigravid women .....	80
Bladder dysfunction .....	49	Prolapse .....	106
<i>Candida</i> .....	84	Quality of life .....	12, 19
Case report .....	80	Rectal dysfunction .....	49
Chemotherapy .....	5	Rectocele .....	63
Chronic pelvic pain .....	120	Rectourethral fistula .....	74
Complication .....	113	Sacrocolpopexy .....	113
Cystitis .....	5	Sacrospinous fixation .....	106
Cystocele .....	63	Sexual abuse .....	118
Erosion .....	113	Sexual function .....	51
Estrogen .....	118	Sexuality .....	56
Fecal incontinence .....	69	SF-36 quality of life scale .....	99
Female sexual function .....	99	Superficial femoral artery perforator flap .....	25
Female sexual function after vaginal surgery .....	19	Tissue elasticity .....	28
Female sexual function index .....	56	Tone of the digestive system .....	120
FSFI .....	51, 99	Total abdominal hysterectomy .....	51
Gene expression .....	92	Total laparoscopic hysterectomy .....	51
Hyaluronic acid .....	5	Trans-obturator tape .....	1
Hypothesis .....	120	Transobturator mesh implants .....	19
Hysterectomy .....	12, 51	Urinary incontinence .....	12, 28, 69
Imperforate anus .....	74	Urogenital distress inventory-6 (UDI-6) .....	1
<i>In silico</i> .....	92	Uterine prolapse .....	80
Incontinence impact questionnaire-7 (IIQ-7) .....	1	Vaginal flora .....	84
Integral theory .....	49	Vaginal hysterectomy .....	99
Intravesical therapy .....	5	Vaginal laxity .....	43
Labia .....	118	Vaginal pathogens .....	84
Labial adhesions .....	118	Vaginal tactile imaging .....	28
Levator ani defects .....	63	Vaginal tightening .....	43
Magnetic resonance imaging .....	63	Visual analogue scale (VAS) .....	1
MAPK pathway .....	92	Volume of the stomach .....	120
Mesh .....	113	Vulvar tissue loss .....	25
Meshless .....	106	Vulvar trauma .....	25
Minimally invasive surgical procedure .....	106	Wide-bore polyester sutures .....	49
Mixed urinary incontinence .....	1	Without fistula .....	74
Non-muscle invasive bladder cancer .....	5		
Non-surgical gynecologic cosmetics .....	43
